

Kamarob platform — guide for editors

Sample document of the Kamarob demo platform by SimorghDev.

Publish news

1. Admin → News → New post.
2. Write the title in English (required) and, if you can, in Russian and Tajik.
3. Choose who can see it: everyone or members only.
4. Set the status to Published and save.

Upload a document

1. Admin → Documents.
2. Choose a PDF, Word, Excel or image file up to 20 MB.
3. Members-only documents are downloaded through links that expire after 60 seconds.
